

Appendix A: Pillars of the Singapore Premier League

The key developments undertaken by the Singapore Premier League are grounded by the four key pillars – a premium platform, professionalism, sustainability and a vibrant football culture – in order to reach the ultimate aim of the league which is to build a stronger National Team for the future.

The four pillars are:

1. *A premium platform for aspiring footballers*

The Singapore Premier League is to be a leading platform for competitive play, where youth development is a central focus for clubs.

2. *Professionalism*

The Singapore Premier League will provide players, coaches, officials and clubs with more opportunities to learn and enhance their skillsets. The League will also be run with greater governance to ensure that the league and all clubs are run professionally.

3. *Sustainability*

The Singapore Premier League brand has to be developed and nurtured such that it will be run and sustained organically. It has to be able to evolve and adapt to the needs of the footballing community.

4. *A vibrant football culture*

The Singapore Premier League will strengthen the connection between local football and the community to enhance the vibrancy of local football and to evoke the Singaporean spirit in the support for the nation's favourite sport.
